Handicap Sign Request Instructions

If you are requesting a handicap sign to be placed at your place of residence the following items will be needed in order for the Township Board of Supervisors to make approval for the sign to be erected. The requested items listed below must be submitted to the Valley Township Chief of Police.

- ✓ Name, address, and telephone number of person who the sign is being placed for.
- ✓ Signed paperwork from a doctor indicating that a handicap sign is necessary and why(example: does not have full use of one or both legs).
- ✓ The location of the sign and how long the sign will need to be in place.
- ✓ The make model and registration of the vehicle(s) that will be parking in the handicap spot. All identification numbers from any temporary handicap placards associated with the person whom the handicap spot is being requested for.

If you should have any questions please contact Chief Joseph Friel at the Valley Township Bureau of Police at 610-384-8133 ext. 32.
